RRR

AUTOMATION SOLUTIONS

— Smart Solutions. Real Results. —

Your Trusted Partner in Barcode, Labelling & Software Solutions

At RRR Automation Solutions, we deliver reliable products and customized software solutions that streamline your business, improve efficiency and drive growth. Quality products. Expert support. Lasting relationships.

OUR PRODUCTS & SOLUTIONS

BARCODE PRINTERS

High performance printers for every business need.

BARCODE SCANNERS

1D & 2D scanners for fast and accurate data capture.

LABELS

Self Adhesive Labels for all industries and applications.

THERMAL TRANSFER RIBBONS (TTR)

Superior quality ribbons for crisp and durable printing.

WASHCARE RIBBONS

Premium washcare ribbons for textile industry.

HAND LABELLING MACHINES

Easy to use & cost effective labelling solutions.

CUSTOMISED SOFTWARE SOLUTIONS

Tailor-made software to automate, manage and grow your business.

BARCODE CONSUMABLES & ACCESSORIES

Complete range of barcode consumables & accessories.

Founder

R. RAJAGOPAL

“ Our commitment is to deliver quality products and innovative solutions with honesty, integrity and outstanding customer service. ”
